

Aerospace Graduate Student Advisory Committee

Presented by:

- Alen Golpashin
- Saurabh Bagare
- Hanseung Lee

I ILLINOIS

What is a GSAC?

An advisory committee that represents the graduate student community

Why does it exist?

To promote fulfilling graduate careers and lifestyles in the AE department

What are things we do?

Host professional and social events, raise concerns and queries, survey student suggestions to improve the grad experience

What we stand for?

Fostering community amongst AE grad students, with the department, and beyond
